## GED PROGRAM

### GED Tutorial Program

The General Educational Development (GED) is more than a diploma. It's a program for students to develop skills that lead to success in higher education and career growth.

The tutorial program is for anyone 16 years and older who does not have a high school diploma or has a vocational training diploma.

### Our Classes

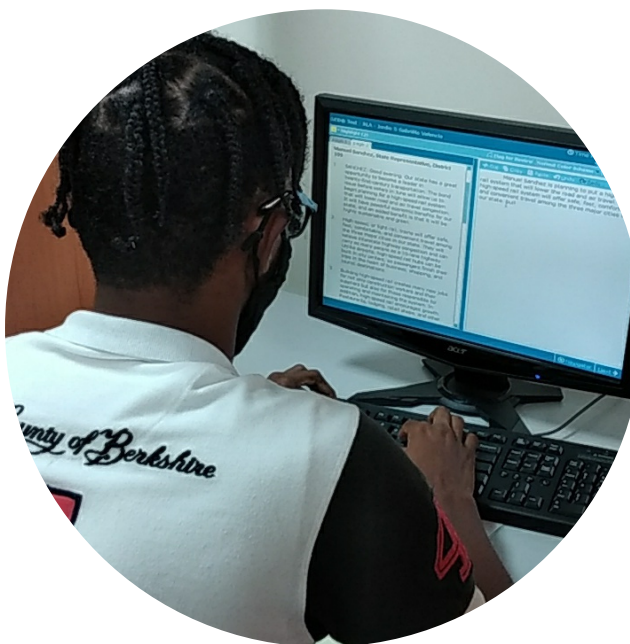

GED tutorial classes are conducted face to face and consist of four subjects:

1. - Reasoning through Language Arts
2. - Mathematical Reasoning
3. - Social Studies
4. - Science

Classes are 15 weeks long for the price of \$725. Books are not included.

## Start your success story with USM

The GED learner-centric approach has evolved to equip students with the knowledge and skills necessary to excel in today's workforce, leading GED to become the only high school equivalency credential recognized by 97% of employers and colleges world wide.
